## **Scrapbook Colouring Essentials – Personalize your Style with Soft Pastels**

**Scrapbooking** is no doubt the most trendy and popular art and craft activity these days. This practice of combining precious photos, embellishments and stories in a scrapbook style album is a wonderful way to capture memories and track individual's history.

If you are sourcing scrapbooking materials for your customers, "**Soft Pastels**" is a must buy item for you this season. The subtle colour of Soft Pastels can transform a piece of plain colour paper to a stylish background sheet. Alternatively, shading or highlighting the embellishments with the Soft Pastels can create a masterpiece with special effects that will not be available elsewhere. It is simple and easy to add colour and accents to personalize the pages.

ColArt's **Scrapbook Colouring Soft Pastels** come in 3 packages with strong vibrant colours...

1. 8 colour box set
2. 16 colour box set
3. 32 colour box set

Size of each pastel is 32mm length x 10mm width square base.

The Soft Pastels can be applied using finger, sponge applicator, eye shadow sponge applicator or cotton swabs and worked excellent on textured paper.

ColArt Hong Kong understands your needs and you are most welcome to have the Scrapbook Colouring Soft Pastels in your own choice of colour combination with your private label package. We have a unique "one-stop-shop" resource and "made-to-measure" service to suit your specific requirements.

To strengthen your scrapbook business and to enhance your scrapbooking product lines, add the Soft Pastels to your catalogue. To try the magic of our Soft Pastels, act now and email us at [sales@colarthk.com](mailto:sales@colarthk.com).
